PROFESSIONAL SUMMARY

I am a skilled WordPress developer with over four years of experience in the field. I have a deep understanding of WordPress development, including themes, plugins, and custom solutions. My expertise includes developing and customizing WordPress websites, implementing responsive design, and optimizing website performance. I am passionate about coding and have strong skills in HTML, CSS, JavaScript, and PHP. I am also experienced in working with various WordPress frameworks, such as Genesis, Divi, and Elementor. I am a self-motivated and detail-oriented professional, with a proven track record of delivering high-quality projects within deadlines. I am committed to staying up-to-date with the latest WordPress trends and technologies, and I am always eager to learn new skills and take on new challenges.

EDUCATION

BACHELOR IN SOFTWARE ENGINEERING (4 Year Program)

06/2016 - 01/2021

Comsats Institute of science and Technology Abbottabad

WORK EXPERIENCE

Wordpress Developer , Designer And Team Lead

08/2022 - Present

Triox - Software House (Freelance)

- Lead a team of WordPress developers and designers, overseeing project execution, quality assurance, and client satisfaction.
- Collaborate with clients to understand their website requirements, provide expert advice, and propose innovative solutions.
- Develop and design responsive WordPress websites, ensuring functionality, usability, and optimal user experience.
- Perform website maintenance, updates, and troubleshooting to ensure smooth functioning and security.
- Train and mentor junior developers, providing guidance on WordPress development best practices and coding standards.
- Collaborate with cross-functional teams, including designers, content creators, and project managers, to deliver successful projects on time and within budget.
- Proactively communicate project progress, milestones, and any potential risks or challenges to stakeholders.

PERSONAL PROJECTS

WORDPRESS DEVELOPMENT AND GRAPHIC WORK

As a passionate WordPress designer and developer, I have undertaken several personal projects to showcase my skills and creativity. These projects range from custom WordPress themes to plugin development and showcase my ability to design and develop high-quality WordPress solutions. Some of my notable personal projects include developing a WordPress-based online store, creating a custom WordPress theme for a local business, and building a plugin that integrates social media feeds into WordPress websites. These projects demonstrate my proficiency in WordPress development, including themes, plugins, and custom solutions. In addition, they highlight my attention to detail, problem-solving skills, and ability to work independently. I am committed to continuing to undertake personal projects to further develop my skills and expertise in WordPress design and development.
